Distribution of Materials to County Programs or Personnel

No staff member shall communicate or distribute, or permit another person to communicate or distribute to any premises of county operated programs, any notice relating to other than school matters without first obtaining the superintendent's permission. Unless authorized by the county superintendent, the staff member shall not permit the subscription or collection of money on school premises, or allow any article to be exhibited thereon for the purpose of sale or otherwise, or permit any person to enter the school for the purpose of commercially photographing pupils, securing the names of pupils, or transacting any private business.
