Other Budget Options

In addition to the provisions set forth in policy 3120, the budget may also contain a general reserve in such sum as the county board may deem sufficient to meet the cash requirements of the next succeeding year until adequate proceeds of taxes levied or apportionment of state funds are available.

The budget may also contain an undistributed reserve which shall be available for appropriation by a simple majority vote of the members of the county board to cover expenditures that have not been provided for, that have been sufficiently provided for, or for unforeseen requirements as they may arise.
