Forest Reserve Funds

The superintendent, with the approval of the county board, may allocate fifteen (15) percent of the funds from such money for use for the improvement of educational programs for students in the county. The balance of the money credited to the forest reserve account shall be apportioned by the superintendent to school districts of the county with approval of the county board in a manner which shall be prescribed prior to June 30 of the fiscal year following the year in which the forest reserve funds are received.
