Non-Instructional Operations

In Lieu of Transportation - Payment to Parents

The superintendent may provide a transportation allowance not to exceed the cost of actual travel incurred in transporting pupils to and from the county schools special education programs between home and a designated site of service. Only one round-trip per day of attendance will be paid. No payments shall be made unless it will be more economical to make payments than provide said transportation.

The rate of payment will be established by the superintendent with the boards' approval.
