Food Service: Purposes and Facilities

The county-operated lunch program shall be an integral part of the total educational program. An attractive, wholesome, well-balanced lunch is essential for the best work from the students.

To accomplish this objective with appropriate economy, all administration of the food services program will be coordinated in the business services office. Business functions to be centralized will include central purchasing of food and supplies, a salary schedule for food service employees, centrally planned menus, and regular audit of all accounts.

The educational aspects of the county lunch program will be the responsibility of the director of curriculum who is ultimately responsible for executing this policy.

The following persons and groups are exempt and are permitted to use the food service facilities:

1. Members of the staff of the State Department of Education;
2. Members of parent-teacher organizations; and,
3. Guests of the county office.
