

INSTRUCTION

Goals and Objectives

The Inyo County Board of Education believes that all students need to meet high standards of academic knowledge and skills. In addition, they must have the ability to apply their skills to the workplace, where they will be required to adapt to emerging technologies and changing societal needs. The Board therefore desires to provide an integrated school-to-career instructional program that extends through high-school graduation and prepares all students to have:

1. Self esteem
2. Mastery of skills and knowledge in mathematics, English, science, civics and government, economics, history, geography, health and safety, physical education, and the arts
3. Ability to analyze, think creatively, solve problems, make decisions and apply knowledge and skills to real-life situations
4. Strong communication and interpersonal skills
5. Experience with a variety of technologies
6. A flexible personal career plan based on:
 - a. Awareness of possible career paths
 - b. Career counseling
 - c. Consecutive work-site learning experiences
 - d. An understanding of all aspects of the industry the student is preparing to enter
7. Specialized skills that can lead to career entry positions or more advanced education
8. Respect for a diversity of cultures and thoughts
