

Instruction

Objectives of the Instructional Program

The county board expects the superintendent to consult with the instructional staff in order to develop and maintain objectives which will be in harmony with the law and the county board's adopted philosophy, goals and objectives.

The county board may make suggestions or comments as to improve courses of study designed to provide the skills and knowledge required for adult life for pupils attending county office programs within this county. Actual decisions involving the courses of study are made by the superintendent or appropriately credentialed personnel.
