

Copyright Protection of Computer Programs

Copies of copyrighted computer programs may not be made without the prior written authorization of the county superintendent or his/her designee.

Copies of computer programs may be made only under the following conditions:

- (1) a copy must be made to conform to the mechanical requirements of another computer; or,
- (2) the copy is made for archival purposes pursuant to 17 USCA 117.

Any employee making an unauthorized copy of a copyrighted computer program is acting beyond the scope of his employment.

Any employee or student violating this policy shall be subject to disciplinary procedures.

Any person violating the exclusive rights of copyright owners is engaging in an infringement of a copyright and is subject to civil damages and/or criminal punishment.
