

New Construction

Deferred Maintenance

On or before March 31st of each year, the county superintendent shall submit to the State Allocation Board a request for apportionment of deferred maintenance funds. Such request shall include a revised five-year maintenance plan if appropriate. This plan shall specify: a) the amount of funds allocated in the forthcoming fiscal year for the purposes of deferred maintenance activities; and, b) the scheduled projects for which such funds shall be allocated.

The county office shall abide by all laws, rules, and regulations as outlined in Education Code Section 17700, the Leroy F. Greene State School Building Lease-Purchase Law of 1976, as they pertain to deferred maintenance.
