

**County Superintendent of Schools**

**SUPERINTENDENT SALARY REVIEW**

The Inyo County Board of Education is authorized by Education Code 1209 to establish the salary for the County Superintendent of Schools. A new superintendent will be evaluated based on experience and placed on the Superintendent Salary Schedule as determined by the Board.

The County Board of Education will review with the County Superintendent of Schools twice a year goals and objectives established jointly by the Superintendent and the Board. County Board members may seek input from school personnel and other community members. This review will take place twice a year.
