Formulation, Approval, Amendment of Administrative Regulations

The county board does not adopt administrative regulations unless specifically required to do so by law, or unless requested to do so by the superintendent. Approval and amendment of such county board-adopted regulations shall be by majority vote of the county board and shall be recorded in the minutes of the county board.

The county board reserves the right to review and direct revisions of administrative regulations should they, in the county board's judgement, be inconsistent with the policies adopted by the county board.
